UNDER THE PATRONAGE OF:

16. - 17. April 2018

TRAUMATIC WRIST DISORDERS

DISTAL RADIUS FRACTURE (DRF)

News from PAF

Associated SL-Injury DRF - diagnosis and treatment

Galeazzi type DRF - diagnosis and treatment

The troublesome lunate facet fragment - how to fix

AS in DRF - what for?

Avoiding complications of plating DRF

Can we improve our results in DRF treatment?

Metaphyseal non-union distal radius

RSL Fusion after failed fixation of DRF

Panel discussion: What went wrong?

DRU-JOINT AND TFCC-DISORDERS

Wafer procedure: is it really simple? What can we expect?

Acute foveal lesions in A TFCC with central defect

The Suction test in TFCC repair

Ulna impaction syndrome:

ulna shortening plus vs no TFCC surgery

Techniques and tips to diagnose and treat subsheath lesion

Techniques and tips to treat foveal lesions of TFCC

AS assisted resection of TFCC - when and how effective

Shorten the Ulna or correct the Radius?

Ulna head arthroplasty

Scheker arthroplasty

Treatment of chronic DRUJ instability (ECU-Split)

SL - Instability: AS and current concepts

SL - Instability: AS - tips and tricks (Geissler 2 and 3)??

3-bone or 4-bone fusion for SLAC/SNAC

The effect of capitate position in 4 corner fusion

WRIST ARTHRITIS

Amandys Implant for wrist arthritis

Midcarpal Hemiarthroplasty for wrist arthritis

TWA (long term Follow-up)

Wrist Arthroplasty - a new approach in acute DRF

Wrist Arthroplasty after failed treatment of DRF

Total wrist fusion - failure analysis

Panel discussion: Carpal instability

3. - 4. April 2017

SCAPHOID FRACTURE (SF)

Scaphoid fracture analysis

Volar plating scaphoid

Do two screws increase stability?

Arthroscopy in acute scaphoid fracture

Path to diagnose the occult acute SF

Panel discussion: What went wrong?

SCAPHOID NON-UNION (SNU)

Bone healing capacity in proximal pole non-union

Arthroscopic management of SNU

Radial styloidectomy for SNU

Pryocarbon Implant for proximal SNU

Innovation for avascular prox. Pole SNU:

an alternative approach

Vascularized vs non-vascularized bone grafts

Lateral or medial MFG

Panel discussion: SLAC and SNAC: Salvage procedure or alternatives in-between?
