

Morning 08.00 am-10.10 am

- | | |
|--|-------------------------------------|
| 1/ Wrist Arthroscopic Anatomy | Jérôme Garret 15' |
| 2/ Portals & Setup: tips, tricks and common errors | Mark Philips 15' |
| 3/ Clinical Indications for Wrist Arthroscopy | Nicole Schmelzer-Schmied 10' |
| 4/ Complications of Wrist Arthroscopy | Diab Diab 10' |

Discussion

- | | |
|--|--------------------------|
| 5/ Radial Styloidectomy: indications & arthroscopic technique | Dimitri Yanni 15' |
| 6/ Classification of TFCC lesions: relevance to proposed treatment | Andrea Atzei 20' |
| 7/ Repair of TFCC tears: direct suturing & anchor based repairs | Jon Compson 15' |
| 8/ Reconstruction of TFCC | Max Haerle 10' |
| 9/ Scapholunate tears: problem and classification | Jane Messina 10' |

Discussion

Pause

Morning 10.30 am-12.30 am

10/ Face-to-face

Dorsal and volar ganglion: open procedure versus arthroscopic removal 30'

Chairman **Alain Gilbert** Open: **Rupert Eckersley** Arthro: **Jérôme Garret**

11/ Face-to-face

Ulnar carpal impaction: ulnar shortening versus arthroscopic distal ulnar resection 45'

Chairman **Rupert Eckersley** Open: **Philippe Liverneaux** Arthro: **Jan Ragnar Haugstvedt**

12/ Masterclass Lecture

Arthroscopic findings in common wrist disorders. What is normal? What matters? **Tommy Lindau 30'**

Lunch

Afternoon 02.00 pm-04.10 pm

13/ Masterclass Lecture

Arthroscopically Assisted Fixation of Distal Radial Fractures **Guillaume Herzberg 30'**

14/ Face-to-face

Osteotomy for malunion of distal radius fracture: open procedure versus arthroscopic osteotomy

Chairman **Jon Compson** Open: **Diego Fernandez** Arthro: **Paco Pinal 45'**

15/ Arthroscopically Assisted Fixation of Fresh Scaphoid Fractures **Phil Grieve 10'**

16/ Arthroscopically Assisted Bone Grafting of Scaphoid Non-Unions **Christophe Mathoulin/Michel Levadoux 10'**

17/ Face-to-face

Proximal pole replacement: open treatment versus arthroscopic treatment 30'

Chairman **Christophe Mathoulin** Open: **Philippe Bellemère** Arthro: **Mathilde Gras**

Pause

Afternoon 04.30 pm-06.00 pm

18/ Masterclass Lecture

Arthroscopic treatment of TFCC injury Toshiyasu Nakamura 20'

19/ Masterclass Lecture

Arthroscopic partial arthrodesis **Pak-Cheong HO/ Hong Kong team 30'**

20/ Face-to-face

Scapholunate tears: open treatment versus arthroscopic treatment 30'

Chairman **Mark Phillips** Open: **Riccardo Luchetti** Arthro: **Luc Van Overstraeten**
